

PERMANENT EXHIBITS

ON THE GROUND FLOOR:

MANN THEATER

At the Zimmer, you're the star of the show! Take on roles, travel to new places, act out and invent your own stories! Complete with scenery pieces, dressing rooms and of course, plenty of costumes, the stage is yours! Plus, your show is always on Zimmer TV!

DISCOVERY AIRPLANE

Pilot the Zimmer Plane for a journey to distant lands. This real plane is equipped with navigational tools, an electronic controls panel, and flight simulation, so you can travel to Israel, Mexico, or wherever your imagination takes you!

youTHink

These works of social commentary art were created by students in youTHink's classroom lessons. youTHink lessons explore the major social issues confronting our world today. All youTHink lessons are free to public schools and are available to grades 4-12.

GIANT TZEDAKAH PINBALL

Tzedakah is the Hebrew word meaning "charity" or "justice." Launch Tzedakah discs in one of the biggest pinball machines ever built! Just like our world, the machine only works when you give of your treasure, of your time, and of yourself.

RHYTHMS OF THE WORLD

Come to the Zimmer and explore the world of music. Rhythms of the World is the perfect way to introduce children to music. With the help of Morton Subotnick's interactive technology, children get the chance to compose their own original music and experiment with instruments from around the world.

ON THE LOWER LEVEL:

WISHING WALL

Everyone has wishes and hopes for the future. At our replica of the Western Wall in Jerusalem (the Kotel), tuck your wish between the stones as people have been doing for centuries.

GIANT TZEDAKAH PINBALL (So big, it's on both levels!)

WATER WAYS

Water is essential to all life on our planet. Our actions can affect the flow of this precious resource and everything that depends on it. Come splash, play and discover! **WARNING:** You will get wet!

S. MARK TAPER FOUNDATION AID AND RESCUE CENTER

What kinds of heroes help people in need? You can be a hero on land and at sea at the S. Mark Taper Foundation Aid and Rescue Center! Train to help others at the Zimmer Fire Department and Rescue Harbor (with a real rescue boat that saved lives in Hurricane Katrina!). And, you can drive an ambulance and learn about saving lives and taking care of others at the Emergency Care Center.

MAIN STREET

It's a beautiful day in the Zimmer neighborhood, and there's always plenty to do for you and your friends! Be a grocer at the Corner Market, sample from the delectable menu of international cuisine at the Blue Bagel Café, play house, discover new books and play in our puppet theater at Bubbie's Bookstore, explore a neighborhood synagogue and traditions, and watch out for wild toddlers bouncing and rolling in their own Baby Bouncy Room.

COMMUNITY PARK

The world needs greenspace, and even our museum has a place to play in the grass! Enjoy a picnic on the lawn or do a little bird watching together with friends in the neighborhood! Or learn about animals who call the outdoors home with our giant, magnetic safari wall.
